Overdue Payments.** Any undisputed payment not received from Client by the due date may, at Company's discretion, accrue late charges at the rate of half percent (0.5%) of the outstanding balance per month, or at the maximum rate permitted by law, whichever is lower, from the date such payment was due until the date paid. Disputed amounts will only be raised in good faith and Client will notify Company of such as soon as reasonably practicable and at least within thirty (30) days after receipt of an invoice. Client shall pay all reasonable costs of collections, including attorneys' and collection agencies' fees.
- 6.6. Suspension of Service.** If Client's account is sixty (60) days or more overdue for any undisputed fees and Client does not pay such fees within fifteen (15) days of notice of such failure to pay, then, in addition to any of its other rights or remedies, Company shall have the right to suspend the Service until such amounts are paid in full.
- 6.7. Taxes.** Company's fees are exclusive of any and all local, state, federal, and foreign taxes, levies, or duties of any nature including any VAT taxes ("Taxes"), and Client is responsible for payment of all Taxes, excluding only taxes based on Company's income, employees, property, and gross receipts. If Company has the legal obligation to pay or collect taxes for which Client is responsible pursuant to this Section, the appropriate amount shall be invoiced to and paid by Client, unless Client provides Company with a valid tax exemption certificate authorized by the appropriate tax authority.

Definition of Confidential Information.** As used herein, "**Confidential Information**" means all information marked "confidential" or "proprietary" at the time of disclosure or that otherwise should be understood by a reasonable person to be confidential in nature, provided by a party or on its behalf ("**Disclosing Party**") to the other party ("**Receiving Party**"), including without limitation this Agreement (except to the extent needed to be disclosed to its advisory members, attorneys, accountants, or to enforce the terms hereof). Each party's Confidential Information shall include any of its financial information, customer lists, personnel information, customer data, business and marketing plans, technology and technical information, product designs and information, developments, and business processes (whether in tangible or intangible form, in written or in machine readable form, or disclosed orally or visually). Regardless if marked as such, Company's Confidential Information includes the Company Technology and the Service, and Client's Confidential Information includes the Client Data and the Client Property. Confidential Information shall not include any information that: (i) is or becomes generally known to the public, or is or becomes generally known in the industry, without the Receiving Party's breach of any obligation owed to the Disclosing Party; (ii) the Receiving Party can show was independently developed by the Receiving Party and was not acquired directly or indirectly from the Disclosing Party; or (iii) is rightfully received by the Receiving Party from a third party who obtained such Confidential Information without any obligation of confidentiality.
- 7.2. Protection.** Each party will, and will cause each of its personnel and agents to: (a) not disclose the other party's Confidential Information to any third party, (b) not use the other party's Confidential information for any purpose other than to perform its obligations or exercise its rights under this Agreement, and (c) protect the confidentiality of the Confidential Information of the other party in the same manner that it protects the confidentiality of its own proprietary and confidential information of like kind, but in no event shall either party exercise less than reasonable care in protecting such Confidential Information. Notwithstanding this Section, each party shall be able to disclose Confidential Information of the other party to its personnel and agents (including, without limitation, Users) who have a need to know for the Receiving Party to perform its obligations or exercise its rights under this Agreement, provided such personnel or agents have been previously advised of the confidential nature of the information and have written obligations of confidentiality to the Receiving Party.

- 7.3. **Compelled Disclosure.** If the Receiving Party is compelled by law to disclose Confidential Information of the Disclosing Party (including any Client Data), it shall (where legally permitted) provide the Disclosing Party with prompt prior written notice of such compelled disclosure to permit the other party to seek judicial protection and/or confidential treatment of such information, and reasonable assistance (at Disclosing Party's cost) if the Disclosing Party wishes to contest the disclosure. Further, the Receiving Party shall disclose only that Confidential Information that is required to be disclosed.
- 7.4. **Remedies.** If the Receiving Party discloses or uses (or threatens to disclose or use) any Confidential Information of the Disclosing Party in breach of this Section 7, the Disclosing Party shall have the right, in addition to any other remedies available to it, to seek equitable relief, including an injunction to enjoin such acts or specific performance, it being specifically acknowledged by the parties that any such violation may give rise to irreparable injury to the other party such that monetary remedies are inadequate.

8. Warranties & Disclaimers.

- 8.1. **Mutual Representations and Warranties.** Each party represents and warrants that it has full right, power, and authority to agree to this Agreement and to perform its obligations and duties under the Agreement, and that the performance of such obligations and duties does not and will not conflict with or result in a breach of any other agreement of such party or any judgment, order, or decree by which such party is bound. Each party shall use the Service only for lawful purposes and in accordance with this Agreement. Each party will comply with all applicable laws and regulations in its performance and use under this Agreement and, in the event of a failure to comply by a party, the other party will have the right to suspend performance hereunder or terminate this Agreement.
- 8.2. **Client Representations and Warranties.** Client represents and warrants that: (a) its use of the Service, including any Client Data uploaded to the Service, will not violate any applicable law or regulation, nor cause a breach of any agreement with any third party (including without limitation the rules of any social network platform) or unreasonably interfere with use of services offered by the Company to third parties; (b) it shall use the Service strictly in accordance with this Agreement and other written instructions provided by Company; and (c) it will hold in confidence any access credentials (including usernames and passwords) provided to Client by Company. In the event of any breach of any of the foregoing warranties, in addition to any other remedies available at law or in equity, Company will have the right to suspend immediately any of the Service to prevent harm to Company or its business. If practicable, Company will provide notice and opportunity to cure. Once cured, in Company's reasonable discretion, Company will use reasonable efforts to promptly restore the Service.

- 8.4. **Disclaimer of Warranties.** EXCEPT FOR THE EXPRESS WARRANTIES SET FORTH IN THIS SECTION 8, ALL COMPANY PRODUCTS AND SERVICES PROVIDED HEREUNDER ARE PROVIDED SOLELY ON AN "AS IS" BASIS. COMPANY DOES NOT MAKE, AND HEREBY DISCLAIMS, ANY AND ALL OTHER EXPRESS AND IMPLIED WARRANTIES, INCLUDING ALL IMPLIED WARRANTIES OF MERCHANTABILITY, QUALITY, PERFORMANCE, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, TITLE, OR ARISING FROM COURSE OF DEALING, USAGE, OR TRADE PRACTICE, IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES. COMPANY DOES NOT WARRANT THAT THE SERVICES WILL BE UNINTERRUPTED, ERROR-FREE, OR COMPLETELY SECURE.
- 8.5. **Disclaimer of Third Party Actions.** Company does not and cannot control the flow of data to or from Service or within any portion of the Internet. Such flow depends in large part on the performance of Internet services provided or controlled by third parties. At times, actions or omissions of such third parties can impair or disrupt Client's connections to the Internet (or portions thereof). Although Company will use commercially reasonable efforts to take actions it

deems appropriate to remedy and avoid such events with respect to Client's use of the Service, Company cannot guarantee that such events will not occur.

9. Indemnification.

- 9.1. Indemnification by Company.** Subject to this Agreement, Company shall defend, indemnify, and hold Client harmless against any loss or damage, expense or liability (including without limitation reasonable attorney's fees and court costs and related legal expenses incurred in defending against such claim) incurred in connection with claims, demands, suits, or proceedings ("Claims") made or brought against Client by a third party (i) alleging that the Service or the Company Technology infringes, misappropriates or otherwise violates any patent, copyright, trademark, or other intellectual property rights of a third party; or (ii) arising from Company's breach of its Confidentiality obligations (including with respect to Client Data); provided, that Client (a) promptly gives written notice of the Claim to Company (provided, however, that failure to so notify shall relieve Company of its liability to Client only to the extent that Company is prejudiced thereby); (b) gives Company sole control of the defense and settlement of the Claim (provided that Company may not settle or defend any Claim unless it unconditionally releases Client of all liability, does not impose any financial obligation on Client or require Client to take or refrain from taking any action, and such defense or settlement does not materially adversely impact Client); and (c) provides to Company, at Company's sole cost, all reasonable assistance requested by Company in the defense and settlement of the Claim. Company shall have no obligations to Client under this Section 9.1 to the extent such Claims arise from Client's or its User's breach of this Agreement or from the combination of the Service with any of Client's products, services, hardware or business processes (unless expressly authorized by Company or contemplated by this Agreement). If any Claim is made or, in Company's sole judgment, is likely to be made, Company may, at its discretion, either, at no additional cost to Client: (i) procure for Client the right to continue to use the Service, as such use is specifically provided for in this Agreement, (ii) replace or modify the Service or Company Technology to avoid infringement, or (iii) terminate this Agreement upon written notice to Client, and refund any paid but unused fees to Client.
- 9.2. Indemnification by Client.** Subject to this Agreement, Client shall defend, indemnify, and hold Company harmless against any loss or damage (including without limitation reasonable attorney's fees) incurred in connection with Claims made or brought against Company by a third party (i) alleging that the Client Data or ClientProperty misappropriates or otherwise violates any IP Rights of a third party; (ii) arising from Client's use of the Service (other than the Claim against which Company is obligated to indemnify Client as set forth in Section 9.1 or where Client's use of the Service is in accordance with written instructions provided by Company and this Agreement); or (iii) arising from Client's breach of Section 2.2; provided, that Company (a) promptly gives written notice of the Claim to Client; (b) gives Client sole control of the defense and settlement of the Claim (provided that Client may not settle or defend any Claim unless it unconditionally releases Company of all liability); and (c) provides to Client, at Client's cost, all reasonable assistance. Client shall have no obligations to Company under this Section 9.2 to the extent such Claims arise from Company's breach of this Agreement or Client's use of Client Data as authorized and contemplated by this Agreement.

10. Limitation of Liability.

- 10.1.** IN NO EVENT WILL EITHER PARTY BE LIABLE TO THE OTHER FOR ANY SPECIAL, INCIDENTAL, PUNITIVE, INDIRECT, EXEMPLARY, OR CONSEQUENTIAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST REVENUE, LOST PROFITS, REPLACEMENT GOODS, LOSS OF TECHNOLOGY, RIGHTS OR SERVICES, LOSS OF DATA, OR INTERRUPTION OR LOSS OF USE OF SERVICE OR EQUIPMENT, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, WHETHER ARISING UNDER THEORY OF CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY OR OTHERWISE.
- 10.2.** EXCEPT FOR EACH PARTY'S LIABILITY UNDER FEES & PAYMENT (SECTION 6), CONFIDENTIALITY (SECTION 7) AND INDEMNIFICATION (SECTION 9), AND NOTWITHSTANDING ANYTHING ELSE IN THIS AGREEMENT OR OTHERWISE, EACH PARTY'S CUMULATIVE, TOTAL LIABILITY TO THE OTHER PARTY FOR ANY REASON (WHETHER BASED IN CONTRACT, TORT, INCLUDING NEGLIGENCE AND STRICT LIABILITY) IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES SHALL IN NO

- 11.2. **Termination for Cause.** A party may terminate this Agreement for cause: (i) upon thirty (30) days written notice of a material breach to the other party, provided such breach remains uncured at the expiration of the notice period; or (ii) if the other party becomes the subject of a petition in bankruptcy or any proceeding relating to insolvency, receivership, liquidation, or assignment for the benefit of creditors.
- 11.3. **Effect of Termination.** Upon the effective date of termination of this Agreement: (i) Company will immediately cease providing the Service to Client; and (ii) any and all undisputed payment obligations of Client for Service provided through the date of termination will immediately become due. Within thirty (30) calendar days of termination or expiration of this Agreement, or at the Disclosing Party's request, each party will return or securely destroy all Confidential Information of the other party (as the other party may elect) in its possession or control (including all copies thereof, in any media). In addition, each party shall purge its computer systems and database of the other party's Confidential Information. Notwithstanding the foregoing return and destroy obligations, a party (a) may retain copies of the other party's Confidential Information in order to comply with any applicable legal or accounting record keeping requirements; and (b) shall not be required to return or destroy any electronic backups of the other party's Confidential Information made in the normal course of business, provided the such party continues to comply with all of the confidentiality and security obligations in this Agreement with respect to such information.
- 11.4. **Surviving Provisions.** The following provisions shall survive the termination or expiration of this Agreement for any reason and shall remain in effect after any such termination or expiration: Sections 1, 2.4, 4, 6, 7, 8.4, 10, 11, and 12.4 through 12.15.

12. General Provisions.

- 12.1. **Professional Service.** Client may request Company to provide certain professional services that are ancillary to the Service, such as integration or customization ("Professional Service"). In such event, the parties will enter into a Statement of Work ("SOW") that refers to and is subject to this Agreement and sets forth the scope and description of the Professional Service, deliverables, parties' responsibilities, completion dates, fees and payment terms, and any other relevant information.
- 12.2. **Publicity.** Company may identify Client as a customer in customer lists. With Client's prior consent: (i) Company and its affiliates will be permitted to use Client's name and logo on their websites, in testimonial content, in press releases, and within marketing materials, provided such use and display is in accordance with Client's trademark usage guidelines communicated to Company from time to time, and (ii) Company and its affiliates may issue press releases relating to this Agreement.

Upon Client's request, Company shall provide Client with certificates of insurance evidencing the Company's insurance coverage.
- 12.4. **Relationship of the Parties.** The parties' relationship is strictly that of independent contractors and this Agreement do not create a partnership, franchise, joint venture, agency, fiduciary, or employment relationship between the parties. Neither party has the power to bind the other, make any warranties or representations, or incur, assume or create obligations on the other's

behalf without the other's prior written consent and each party agrees that it will not perform any act or omission to the contrary.

- 12.5. **No Benefit to Others.** The representations, warranties, covenants, and agreements contained in this Agreement are for the sole benefit of the parties and their respective successors and permitted assigns, and they are not to be construed as conferring any rights on any other persons.

Notices to Company shall be addressed to the attention of its General Counsel.
- 12.7. **Waiver.** No failure or delay by either party in exercising any right under this Agreement shall constitute a waiver of that right. The waiver by a party of compliance by the other party with any provision of this Agreement shall not operate or be construed as a waiver of any other provision of this Agreement (whether or not similar), or a continuing waiver or a waiver of any subsequent breach by a party of a provision of this Agreement.
- 12.8. **Severability.** If any provision of this Agreement is held by a court of competent jurisdiction to be contrary to law, the provision shall be changed by the court and interpreted so as best to accomplish the objectives of the original provision to the fullest extent permitted by law, and the remaining provisions of this Agreement shall remain in effect, unless the modification or severance of any provision has a material adverse effect on a party, in which case such party may terminate this Agreement by notice to the other party.
- 12.9. **Assignment.** Neither party may assign any of its rights or obligations under this Agreement, in whole or in part, whether by operation of law or otherwise, without the prior express written consent of the other party. Notwithstanding the foregoing, either party may assign this Agreement, without consent of the other party in connection with a Change in Control; provided, however, that the assignee to which this Agreement is assigned must agree in writing to be bound by the terms and conditions hereof and the assigning party shall notify the other party of such assignment within a reasonable period of time following the Change in Control. Furthermore, if this Agreement (or any Order) provides for an unlimited use or enterprise license, an assignment, Change of Control, acquisition or other business expansion by Client may result in an increase in fees. Any attempt by a party to assign its rights or obligations under this Agreement in breach of this Section shall be void and of no effect. Subject to the foregoing, this Agreement shall bind and inure to the benefit of the parties hereto, their respective successors and permitted assigns.
- 12.10. **Governing Law/Venue.** This Agreement shall be governed exclusively by, and construed exclusively in accordance with, the laws of the United States and the State of California, without regard to its conflict of law's provisions. The federal and state courts located in the Northern District of California or San Mateo County, California shall have jurisdiction to adjudicate any dispute arising out of or relating to this Agreement, and each party hereby consents to the jurisdiction of such courts and waives any right it may otherwise have to challenge the appropriateness of such forums, whether on the basis of the doctrine of forum non conveniens or otherwise. The United Nations Convention on Contracts for the International Sale of Goods shall not apply to this Agreement.
- 12.11. **Export Control Laws.** Each party shall comply with United States and foreign export control laws or regulations applicable to its performance under this Agreement.
- 12.12. **Force Majeure.** Neither party will be deemed in breach of this Agreement if the failure to perform is caused by circumstances beyond its reasonable control, including without limitation acts of God, acts of government, flood, fire, earthquake, civil unrest, acts of terror, strikes or labor problems, computer, internet, or telecommunications failures, delays or network intrusions, or denial of service attacks, but only if (a) such party gives prompt written notice to the other party of the force majeure event, and (b) such failure or delay results notwithstanding the exercise of reasonable care and diligence to avoid or mitigate the same in anticipation of or

in response to such causes. The time for performance will be extended for a period equal to the duration of the force majeure event.

- 12.13. **Equal Employment.** Both parties agree to comply with all applicable equal employment opportunity laws, including Title VII of the 1964 Civil Rights Act, the Civil Rights Act of 1991, the Americans with Disabilities Act, and, if applicable, the affirmative action requirements of the Executive Order 11246, the Rehabilitation Act of 1973, as amended, and the Vietnam Era Veterans Readjustment Assistance Act of 1974, as amended.
- 12.14. **Entire Agreement and Construction.** This Agreement, any SOWs, and the Order Form(s) constitute the entire and exclusive agreement between the parties as to its subject matter, and supersede all previous and contemporaneous agreements, proposals, or representations, written or oral, concerning the subject matter of this Agreement. Except as contemplated to the contrary herein with respect to Order Forms, no modification, amendment, or waiver of any provision of this Agreement shall be effective unless in writing and signed by both parties. In the event of any conflict between the provisions in this Agreement, any SOW, and the Order Form(s), the terms of the Order Form will take first precedence, then this Agreement will take second precedence, and any SOW will take third precedence, provided that any terms of an Order Form that conflict with this Agreement will take precedence solely in connection with those specific services set forth in such Order Form and the delivery thereof. In all other instances, this Agreement shall govern and control. Notwithstanding any language to the contrary therein, no terms or conditions stated in a purchase order issued by Client or in any other Client order documentation shall be incorporated into or form any part of this Agreement.
